

GUIDE TO SEARCH FOR SIMILAR TRADE MARKS IN IPOS DIGITAL HUB

Before filing an application to register a GI, you may conduct a conflicting mark search to check if any similar mark is present on our register at <https://digitalhub.ipos.gov.sg> > **Trade Mark Similar Mark Search**.

The screenshot displays the IPOS Digital Hub interface. At the top, it identifies itself as a Singapore Government Agency Website and includes the IPOS Digital Hub logo. Navigation options for 'Forms', 'Search', and 'Journals' are visible. A 'Login for' section offers options for 'For Business' and 'For Individual'. The main content area is titled 'Welcome to IPOS Digital Hub' and features three tabs: 'Patent', 'Trade Mark' (which is highlighted in orange), and 'Design'. Below these tabs, a four-step process is outlined: Step 1 (Search for similar trade marks), Step 2 (Apply for trade mark protection in Singapore), Step 3 (Apply for trade mark protection overseas (Optional)), and Step 4 (Renew trade mark). At the bottom, the 'IP Search' section contains three buttons: 'Advanced Search', 'Trade Mark Similar Mark Search' (highlighted with a yellow border), and 'Trade Mark Goods and Services Search'. Below the buttons, a search input field is present with the placeholder text 'Type your search text here', a dropdown menu labeled 'Please Select', an image icon, and a red search button with a magnifying glass icon. A note below the search field reads 'Select the most relevant field for faster search results.'
