

Launch of eAlert facility in IP²SG

(Circular No. 4/2016, dated 1 Nov 2016)

A new eAlert facility in IP²SG will be launched on 3 December 2016. This new facility will allow you to subscribe for email alerts on updates to intellectual property (IP) of interest to you.

You will be able to select the type(s) of updates which you will like to receive. The types of updates include:

- Amendments and/or Corrections
- Changes due to Assignment, Licence or Security Interest
- Changes in IP status
- Changes in case statuses of proceedings before the Hearings & Mediation Group
- Renewals and Renewal reminders

A glossary of IP statuses and case statuses will also be made available to facilitate your better understanding of these statuses.

You may subscribe to the facility from 3 December 2016 at <https://www.ip2.sg>. To subscribe, select "Search and Enquiry: Patents" → "Simple Search" → "Search Type: IP" → "Search Category: Patents". Upon entering your desired search criteria and performing a search, you will be able to select and subscribe to receive alerts for up to 100 Patents listed in the search results at a time. You will be able to provide up to 3 email addresses for receiving updates. Updates, if any, will be sent daily. A hyperlink to access the glossary of IP statuses and case statuses can be found at the Simple Search webpage.

More information on the facility will be made available on IP²SG on 3 December 2016.
